Dear Mr Ahktar,

Following the recent meeting between yourself, the City of Stoke on Trent Licensing Service and the City of Stoke on Trent Vehicle Examiners regarding approval to fit your Polycarbonate Shields into Taxis and Private Hire Vehicles operated within the City of Stoke on Trent.

I am pleased to confirm that we consider the shields to be suitable for installation into Hackney Carriages and Private Hire Vehicles within our Licensed Area and that the installation of the shields would not effect the suitability test required for the vehicles in the Licensing Regulations.

Obviously this approval does not form an endorsement of your product by City of Stoke on Trent Council and should any other company wish approval for a similar product then we would consider their application for approval accordingly.

Yours sincerely,

A handwritten signature in black ink, appearing to read "Glyn Cross".
