Cab Safe Security

RE: Approval to install Cab Safe Security screens.

Dear Mr Ahktar

Further to our recent correspondence, I am pleased to confirm that there is no objection to your company's safety screens to be installed in vehicles licensed by Watford Borough Council. Perhaps you could be so good as to advise us (at licensing@watford.gov.uk) of which vehicles request the screens to be fitted?

Yours sincerely,

Jeffrey Leib Licensing Manager (and Vice-Chair, Institute of Licensing)
Licensing Team Environmental Services Watford Borough Council Town Hall,
Watford, Hertfordshire WD17 3EX
